***RE: FCC Docket 99-25 (Low Power FM, Low Power AM and Translator Reform)***

Dear FCC Commissioners and FCC Commission Staff:

On August 1, 2005, THE MICHIGAN MUSIC IS WORLD CLASS! CAMPAIGN and THE LPAM NETWORK of Maine led a group of 161 parties in filing Written Comments in FCC Docket 99-25.

These Written Comments supported the public policy recommendations of THE AMHERST ALLIANCE in its Written Comments of June 14, 2005 and its separate Reply Comments of the same date. We appended the full text of both documents, and re-submitted both of them For The Record, when we submitted the August 1 filing.

Unfortunately, there were minor errors in the listed addresses of both William C. Walker, President of THE LPAM NETWORK, and myself. The correct addresses are as follows:

Stephanie Loveless  
President, THE MICHIGAN MUSIC IS WORLD CLASS! CAMPAIGN  
Editor, JAMRAG MAGAZINE  
P.O. Box 20076  
Ferndale, Michigan 48220

William C. Walker  
President, THE LPAM NETWORK  
General Manager, WILW RADIO  
35 Ayer Street  
Lincoln, Maine 04457

I apologize for the errors.

Sincerely,

Stephanie Loveless
